# 2019 Congressional District Census

Commissioned by the Republican Party

Ronna McDaniel  
Chairwoman

Monday Morning

Dear Nancy,

Winning the 2020 Presidential Election is going to take a massive grassroots effort all across America. The future of our Nation – and the Republican Party – is at stake. Whoever wins the battle for the White House and control of the U.S. Senate and the U.S. House of Representatives will ultimately determine the course of our country for decades to come.

That is why we are very concerned to learn that you have not returned your **2019 CONGRESSIONAL DISTRICT CENSUS** that was registered in your name and sent to you several weeks ago. *The 2020 elections are too important to take any chance that our data is not complete, so President Trump has requested that we immediately send you another copy of your Census.*

Enclosed is your official **FINAL 2019 CONGRESSIONAL DISTRICT CENSUS** registered **CODE #J19PPL692** in your name as a representative of Missouri's 1st Congressional District. It is crucial that we receive your completed Census by October 7th so we can have our analysis of the data ready to deliver to our grassroots organizers in Saint Louis.

Nancy, this is the largest Congressional District Census our Party has ever taken for a Presidential election. Your completing and returning your Final 2019 Census Document is central to our ability to devise a winning Republican strategy in your area as we prepare for President Trump's re-election year.

Our research clearly shows that the nationwide Congressional District Census we are conducting is making a real difference in helping the RNC put together the critical information and voter profiles needed to target audiences with the truth concerning President Trump's agenda. With control of the White House – and our entire government – at stake, your personal involvement in our 2019 Census Project is more important than ever.

With our nation so politically divided and the Democrats and mainstream media constantly spreading fake news about President Trump and his administration, it is very difficult to get the real facts about his agenda out to Americans all across the country. That is why it is so urgent that you return your Census Document immediately to me here at RNC Headquarters.

Your participation in this national effort will provide us with the detailed data we need concerning Missouri's 1st Congressional District. Most importantly, it will show the Liberal Democrats in Congress, the radical special interest groups, and their Left-wing allies in the media that the American people support President Trump and want to advance his agenda.

So please, Nancy, act today to complete your **FINAL 2019 CONGRESSIONAL DISTRICT CENSUS** and do your best to get it back to me at RNC Headquarters by October 7th. At the same time, please include a generous contribution of \$25, \$50, \$100, \$250, \$500, \$1,000, or whatever you can send to help underwrite the costs of this critical project and enable us to re-elect President Trump and Republicans at all levels of government.

**Your financial help now is absolutely critical because President Trump cannot win re-election and continue to make major progress with his efforts to Make America Great Again – and Keep America Great – if we don't have the funds we need to fight back against the Democrats' ruthless propaganda machine.**

(Over, please)

Page Two – Nancy Nelson-Stickels

After spending more than two years and \$40 million investigating the President's campaign and finding nothing, the Democrats are still working relentlessly to stop him from doing what is best for America.

And with more than twenty ultra-Liberal candidates lining up to challenge President Trump, he is going to be under even more brutal non-stop attacks. They will do everything they can to capture total control of our government so they can enact their Big-Government Socialist agenda.

**Chuck Schumer, Elizabeth Warren, Nancy Pelosi, Kamala Harris, Alexandria Ocasio-Cortez, and their Left-wing, Socialist cohorts are determined to put their radical, costly, and destructive politics first – ahead of the good of our country.**

As Chairwoman of the RNC, my top priority is to make sure we have the organization and the funds to ensure Donald Trump is re-elected the 45<sup>th</sup> President of the United States.

To do that the RNC must prepare now – months out from when the voters cast their ballots – to invest millions of dollars in opposition research, voter outreach, Party expansion, and grassroots organizing in key battleground states and Congressional Districts throughout the country where the fate of President Trump's re-election will be decided. And we must have the resources necessary to use the latest technologies to execute our campaign plans and get our Republican message out to ALL Americans.

That is why this Census Project is so important and why I sincerely hope you will send a generous contribution of \$25, \$50, \$100, \$250, \$500, or even \$1,000 along with your completed **FINAL 2019 CONGRESSIONAL DISTRICT CENSUS**.

President Trump cannot succeed, nor can our Party prevail over the challenges the Democrats will constantly present in their efforts to divide and destroy our great nation, without the input and support of dedicated individuals like you.

Nancy, the fight to re-elect President Trump has begun. We must build the most powerful grassroots operation ever used in a Presidential election and be prepared to work for every vote in races all across the country – including contests in Saint Louis. If the Democrats win this battle, it will be disastrous for America's future.

We need you standing with us. So please – let me hear from you by October 7th.

Sincerely,

Roma McDaniell  
Chairwoman, Republican National Committee

P.S. Nancy, President Trump very much needs your continued commitment and support today. As a registered participant in our **2019 Congressional District Census Project**, you are on the frontline of the battle to stop the Democrats from turning our nation into a Socialist country.

So please, I urge you to help the RNC build the grassroots organization we will need to help President Trump in his re-election year by completing your **FINAL 2019 CONGRESSIONAL DISTRICT CENSUS** and returning it with a generous contribution of \$25, \$50, \$100, \$250, \$500, or even \$1,000 in the enclosed envelope. If you would like, you may go online to [www.GOP.com/Census](http://www.GOP.com/Census) and get your donation and survey responses to us immediately. Thank you.
